Verse 1: There's a dark and a troubled side of life.

There's a bright and a sunny side too.

Though we meet with the darkness and strife,

The sunny side we also may view.

Chorus: Keep on the sunny side, always on the sunny side.

Keep on the sunny side of life.

It will help us every day, it will brighten up the way

If we keep on the sunny side of life.

Verse 2: Let us greet with a song of hope each day

Though the moment may be cloudy or fair

Storms and clouds will in time pass away

And the sun again will shine bright and clear.

Chorus: Keep on the sunny side, always on the sunny side.

Keep on the sunny side of life.

It will help us every day, it will brighten up the way

If we keep on the sunny side of life.
